

The three cerebellar peduncles are the superior cerebellar peduncle, the middle cerebellar peduncle, and the inferior cerebellar peduncle.

Final Answer: The final answer is $\boxed{\text{superior cerebellar peduncle, middle cerebellar peduncle, inferior cerebellar peduncle}}$.

Final Answer: The final answer is $\boxed{\text{superior cerebellar peduncle, middle cerebellar peduncle, inferior cerebellar peduncle}}$.

Final Answer: The final answer is $\boxed{\text{superior cerebellar peduncle, middle cerebellar peduncle, inferior cerebellar peduncle}}$.

Final Answer: The final answer is $\boxed{\text{superior cerebellar peduncle, middle cerebellar peduncle, inferior cerebellar peduncle}}$.

Final Answer: The final answer is $\boxed{\text{superior cerebellar peduncle, middle cerebellar peduncle, inferior cerebellar peduncle}}$.

Final Answer: The final answer is $\boxed{\text{superior cerebellar peduncle, middle cerebellar peduncle, inferior cerebellar peduncle}}$.

Final Answer: The final answer is $\boxed{\text{superior cerebellar peduncle, middle cerebellar peduncle, inferior cerebellar peduncle}}$.

Final Answer: The final answer is $\boxed{\text{superior cerebellar peduncle, middle cerebellar peduncle, inferior cerebellar peduncle}}$.

Final Answer: The final answer is $\boxed{\text{superior cerebellar peduncle, middle cerebellar peduncle, inferior cerebellar peduncle}}$.

Final Answer: The final answer is $\boxed{\text{superior cerebellar peduncle, middle cerebellar peduncle, inferior cerebellar peduncle}}$.

Final Answer: The final answer is $\boxed{\text{superior cerebellar peduncle, middle cerebellar peduncle, inferior cerebellar peduncle}}$.

Final Answer: The final answer is $\boxed{\text{superior cerebellar peduncle, middle cerebellar peduncle, inferior cerebellar peduncle}}$.

Final Answer: The final answer is $\boxed{\text{superior cerebellar peduncle, middle cerebellar peduncle, inferior cerebellar peduncle}}$.

Final Answer: The final answer is $\boxed{\text{superior cerebellar peduncle, middle cerebellar peduncle, inferior cerebellar peduncle}}$.

Final Answer: The final answer is $\boxed{\text{superior cerebellar peduncle, middle cerebellar peduncle, inferior cerebellar peduncle}}$.

Final Answer: The final answer is $\boxed{\text{superior cerebellar peduncle, middle cerebellar peduncle, inferior cerebellar peduncle}}$.
